

Intensive BSL to English (Voice Over) training programme

A three-day training course aimed at enhancing interpreters' voice over skills.

Lead Tutor: Byron Campbell

This three-day course will focus specifically on the skill of interpreting from BSL into spoken English. It would suit any working interpreter wanting to improve/develop their ability to interpret more effectively and efficiently from BSL into spoken English.

It is recommended (but not required) that people do the Sign Solutions Language Processing course before attending this training programme.

The course will look at a variety of skills required to function effectively such as intonation, pacing and characterisation. It will also cover some of the common problems that interpreters encounter and how to overcome them.

A range of training materials will be used in order to highlight specific areas for development and to assist in improving the learners' skills in this aspect of interpreting.

Topics include:

- BSL receptive exercises
- Spoken English exercises
- BSL to English exercises
- Feedback sessions

The course will be held at our premises in Alvechurch, Birmingham.

Programme fee: **£280.00 (+ VAT)**, incl. buffet lunch

This course is worth 24 ASLI CPD points.
Places are limited so early booking is advisable.
