

# Setting up your StarLeaf account

Click [HERE](#) for the BSL version of this guide

## 1. Setting up your account

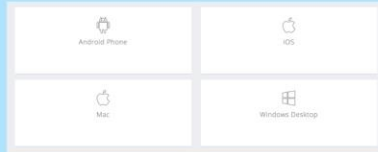

[Click to download the app](#)

or go to:

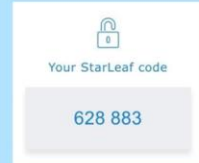

## 2. Choose software for your device e.g. iOS, Android, Mac, Windows

## 3. Register with your email address

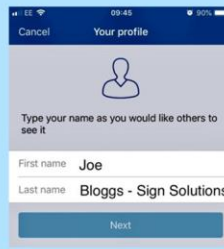

StarLeaf will send you an email containing a 6-digit one time code

## 4. Type the code into StarLeaf app

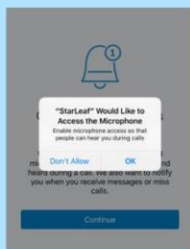

## 5. Add your name. If you are part of an organisation, add after your surname e.g. Bloggs - Sign Solutions

## 6. Add your mobile number.

## 7. You will be asked for access rights. Click OK to all!

## 8. Making a Call

Click on the phone icon to make a call

## 9. At the top of the page you must dial [interpreterslive@signsolutions.uk.com](mailto:interpreterslive@signsolutions.uk.com)

Then click "Start a video call"

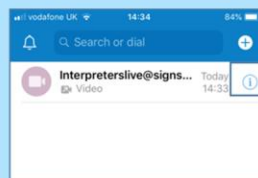

## 10. Adding a Favourite

Once you have made a call, click on your calls list.

## 11. The Information button next to the address will take you to their call details

## 12. Click on the star, to add this address to your favourites list for ease of dialling next time!
